April 22nd, 2020 - Kapoor's Islamic Mirror 2008 a circular concave mirror has been installed in a 13th century Arab palace now both a cloister for nuns and a reliquary for Islamic and Christian objects. The Santa Clara convent has a radical historical trajectory which its newest guest elegantly conflates with abstract aesthetics and contemporary global politics.'

April 30th, 2020 - Rosa Martinez Anish Kapoor is an extremely busy artist but a very precise one. I had the chance to experience this when three of his works were included in the exhibition Center of Gravity that I curated in 2004 for the international opening of Istanbul Museum of Modern Art. Anish is continuously involved in many and very relevant projects and in every occasion he knows the best path to take.
